DIETARY REQUIREMENTS

We use a number of different restaurants at night for the evening meals and whilst we do give them the information about dietary requirements, it can still be a challenge, but they do try their best to facilitate these requests. Breakfast and lunches are very manageable in catering to special dietary requests.

Special Requirements:

Meal/Dietary:	

***** Moderate amounts of walking are required on some tours. A medium level of fitness is required. We recommend all clients have travel insurance.***

*****A medical form will be included with your confirmation. Please complete this and return either with your deposit or final payment.***

CAR HIRE

Transport is supplied during Bird Week for tours and getting to and from functions. On the last day (Monday), there is the option to hire a vehicle for a 24 hour period (10am – 10am). Day rate including fuel is \$90.00. ****Subject to availability and must be pre-booked.**

Exclusive use option:	YES / NO

DRIVER NOMINATION

We use a number of small 4WD's to get people around on field trips and to restaurants etc. So that we don't have to overfill the vehicles we ask a few guests to drive the backup vehicles. Please advise if you feel comfortable nominating to be a driver for the week. 4WD experience preferred.
